

SILICONE - AEROSOL

Gusco Silicone Spray

- A multi-purpose lubricant and release agent.
- Non-staining and fast-drying. Very low odour.
- Ideal for cushion filling - spray on foam and inside cover to slip cover over cushion.

108919 Gusco Silicone Spray (400 gram can)

Paintable Silicone Spray

- An excellent lubricant and release agent with the added feature of accepting paints & coatings without having to be removed from the surface where overspray of lubricants is a problem.

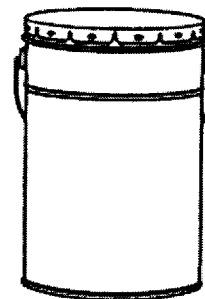

108901 Paintable Silicone Spray (400 gram can)

SILICONE - BULK

- C-20 Silicone is a premium thread lubricant for all sewing, knitting and weaving applications.
- Reduces heat build-up and thread breakage. Eliminates friction and static electricity.

001001 C-20 Silicone (4 ltr.)

108920 C-20 Silicone (20 ltr.)

OIL - COMPRESSOR

- SAE 30 low carbon oil designed for reciprocating single and two-stage air compressors. 4 litre jug.
